Dear Jimmy,

We arrived in Stockholm late Saturday night. First we had to change planes at Copenhagen. We are in a beautiful hotel. We went on a sightseeing tour by bus of the city today. It is real old and we had a tour of the Royal Palace which is really beautiful. I didn't see the king but I saw where his living quarters are.

We spent yesterday in Amsterdam. It is huge and simply mobbed with people on the streets.

We had dinner tonight at a famous restaurant in the Opera House. It is cold and raining out now.

I am so glad we have your camera. My little camera isn't working so I suppose my pictures are ruined. I hope not.

We will be leaving for Kalmar Tuesday. We talked to Beetta and Alf tonight on the telephone and they are going to meet our plane.

Love,  
Mona.
